# MESSAGE FOR THE PARENTS/GUARDIANS

Assalamu Alaikum Dear Parents,

At the Edmonton Islamic Academy, we recognize that our student's success depends on effective collaboration between parents and school staff. We all play an important role in a child's academic success. With that being said, we would like to outline our expectations for parents and identify some strategies that can be implemented to support your child in their areas of growth:

## General Strategies:

- Monitor that your child **completes their homework daily by checking the remind app** for assigned homework.
- Set a daily **scheduled time for homework and studying** (e.g., from 6-8 pm daily) and remove all distractions during this period such as cellphones and iPads.
- Ensure that they are **on task during this time**. You may utilize your child's **siblings as support**.
- **Help Sessions:** We have multiple help sessions running during the school day to support students who may be struggling in each subject. **Please ask your child's teacher for the timings of these sessions and ensure your child attends.**
- **Attend parent-teacher meetings:** Please continue to communicate with your child's teachers to understand which areas they need support in.

## Language Arts:

- **Reading:** Please ensure your child reads daily. Students are encouraged to sign books out of our school library, or the public library or read online (ask your child's teacher for recommendations for online reading platforms).
- **Understanding:** Ask comprehension questions about what they read or meanings of higher level vocabulary (ask them to use a manual dictionary to look up the word and define it in their own words),
- **Writing:** You may also ask them to summarize the text in a short written paragraph for you. Review the paragraph to ensure proper grammar, spelling, and punctuation.

## Math

- **Complete practice problems:** Have your child practice solving a few questions daily for the unit they are on (review questions from the child's notes and math textbook).

## Science & Social Studies

- Review notes and textbook readings.
- Ask your child to explain concepts to you and encourage them to connect these to concepts previously known.

Lastly, please immediately reach out to your child's teacher to discuss any questions or concerns. Our children are an Amanah from Allah and we pray that our continued collaboration will help support them to achieve an optimal education.

JazakAllahu Khairan!
