NEW PERSONAL DEVICE POLICY

Starting September 5th, 2024

We would like to inform you of a significant update that will affect all students in Alberta regarding Personal Mobile Devices and Social Media in schools. The Alberta Minister of Education has issued a new Ministerial Order (#014/2024) which states that **all personal electronic devices, including cell phones, smartphones, headphones, smartwatches, and other smart devices, will NO LONGER BE PERMITTED** on the school campus for students in Kindergarten through Grade 12.

This policy aims to create a focused and distraction-free learning environment. In addition, all social media sites have been blocked on the school's internet service to safeguard students.

The only exceptions we will consider will be due to the following reasons:

1. Health and medical reasons (approved by the Principal)
2. After school activities (i.e. Athletics)

UNIFORM POLICY

In order to maintain a respectful and cohesive school environment, students are required to adhere to the following uniform:

High School Girls:

Female students are required to wear the school black abaya with the school logo, and a hijab of any color. The hijab must cover the neck, and students may choose between a "Ninja" hijab or a two-piece hijab to ensure full coverage.

High School Boys:

Monday thru Thursday, High School boys are to wear a pair of black school pants and a green school polo shirt (short or long-sleeve). On Fridays, boys are to wear a pair of black school pants and any dress shirt with any tie.

High School Sweaters:

Only school hoodies with the school logo, or hoodies that are completely black (no writing/pictures/brand names visible) are allowed for all high school students.

- To purchase uniform items please visit the following website:
