RESPECTFUL, RESPONSIBLE, SUCCESSFUL, LEADERS AND CONTRIBUTORS TO SOCIETY.

Division 2 | Bi-Weekly Curriculum Outcomes Date | November 18 - November 29, 2024

"Allah [God] will not show mercy to a person who does not show mercy to other people"

Islam Says "No To Bullying"

What is Bullying and how does Islam view it?
Bullying is deliberate and hurtful behavior and can take place anywhere. There are many forms of bullying: Physical (hitting, kicking, snatching), Verbal (name-calling, insulting, taunting), Emotional (ignoring, spreading nasty gossip) and Cyber Bullying (using mobile phones, text messages, the internet).

Islam does not tolerate any form of bullying as it is a form of oppression. Allah [God] has mentioned many times in the Qur'aan regarding His displeasure of such actions:
"Allah does not like the oppressors." (3:140)
" O ye who believe do not defame one another, nor insult one another by nicknames." (49:11)
Thus laughing at someone, defaming, being sarcastic or bullying is not acceptable.

It's not Cool to be Cruel

Ask Yourself a Question - How should we behave towards others?
The Muslim Greeting "As salamu alaikum wa rahmatullahi wa barakatuh" (May the peace, mercy, and blessings of Allah be with you)" is made up of three beautiful terms: peace, mercy, and blessings. These terms, taken together or separately, deny any association with any form of bullying. What does 'making people miserable' have to do with "peace, mercy, and blessings"?

If you see someone being bullied, do not ignore it, report it.
The Prophet Muhammad (Peace be upon Him) said: "He who amongst you sees something evil should modify it with the help of his hand; and if he has not strength enough to do it, then he should do it with his tongue, and if he has not strength enough to do it, (even) then he should (abhor it) from his heart, and that is the least of faith."
- (Sahih Muslim)

No one has the right to hurt you or make you feel bad. If you are being bullied do not tolerate it. Report it.

Hadith of the Month of November

عَنْ أَبِي سَعِيدِ الْخُدْرِيِّ رَضِيَ اللَّهُ عَنْهُ قَالَ قَالَ رَسُولُ اللَّهِ صَلَّى اللَّهُ عَلَيْهِ وَسَلَّمَ: (مَنْ رَأَى مِنْكُمْ مُنْكَرًا فَلْيُغَيِّرْهُ بِيَدِهِ فَإِنْ لَمْ يَسْتَطِعْ فَبِلِسَانِهِ فَإِنْ لَمْ يَسْتَطِعْ فَبِقَلْبِهِ وَذَلِكَ أَضْعَفُ الْإِيمَانِ)

Abu Said Al Khudri may Allah be pleased with him narrated that the Prophet Muhammad صَلَّى اللَّهُ عَلَيْهِ وَسَلَّمَ said:

(Whoever of you sees an evil action, let him change it with his hand, if he is unable to do so, then with his tongue, and if he is unable to do so, then with his heart, and that is the weakest of faith).

Golden Manner of the Month

We can inspire those around us by practicing and promoting positive manners in everything we say and do.

Month: November

Sun	Mon	Tue	Wed	Thu	Fri	Sat
3	4	5	6	7	8 PD Day NO SCHOOL	9

Monthly Recognition and Celebration of Model Students

Criteria for Model Student

Respectful

- Tells the truth
- Cleans up after self
- Adheres to the uniform policy
- Is supportive of learning in the classroom
- Talks politely with classmates and teachers
- Shows respect towards the Musalla area and when performing the Salah

Responsible

- Is organized
- Ready for learning - materials and attitude
- Is punctual for the Morning Dua and class
- Makes responsible decisions in and out of the classroom
- Completes class work, and homework neatly and in a timely manner
- Reflects and learns from previous experiences, and uses class time wisely

Aims for Success

- Is resourceful
- Helpful and motivates others
- Takes positive initiative in/out classroom
- Sets goals and works toward achieving them
- Encourages Islamic manners in words and actions
- Participates in one or more extracurricular activities

Grade 4 Outcomes

Subject	Topics	Curriculum Outcomes Inquiry Questions	Key Vocabulary for Each Subject
Quran Chapter	Surat Al- Mutaffifeen, Ayat (18-26)	<ul style="list-style-type: none"> - Recite and memorize Surat Al-Mutaffifeen, Ayat (18-26). - Understand the meaning of each ayah and the main lesson of the Surah. 	
Islamic Studies	<p>Unit G/ Chapter (2) Muslims Love Each Other.</p> <p>Unit G/Chapter (3): The Six Rights of Muslims on Each Other</p>	<ul style="list-style-type: none"> -Students will define Islam as a religion of love and mercy. -Students will describe how Muslims should treat each other. 	<p>Al-Hubbu Fillah</p> <p>Haqq</p> <p>Huqooq</p>
Arabic	<p>Unit the Family Lessons: أساعد امي- هذه أسرتي</p>	<ul style="list-style-type: none"> -What are strategies we can use for reading the lessons with accurate long and short vowels? - Students will use the new vocabulary in sentences. -What strategies can we use Interrogative pronouns (ضمانر الاستفهام) in sentences?: Who/Whom? What? When? When? Where? How? Where? How 	

		much/many?(من ماذا. أين)	
LA Writing	Poetry	What are the different types of poems, and how does their structure affect how we understand them?	
LA Reading	Poetry	How can the rhythm and language of a poem help you understand its mood or message?	
Mental Math	Multiplication	What are strategies we can use to quickly and accurately multiply numbers?	-Factor -Product -Multiples of
Math Problem Solving	Adding and Subtracting Decimals	Can you effectively solve problems involving decimal numbers?	-Difference -Addend -Sum
Science	space	exploring some of objects in space and their functions	- moon - Sun - Stars - Planets
